

Our History

The Alfonso brothers emigrated from their native Cuba in search of opportunity in the United States. Once they arrived, they dedicated themselves to hard work in order to realize their dreams of success.

Their commitment to hard work paid off on April 29, 1974, when they opened the doors to the El Artesano Restaurant.

For more than 30 years they have continually strived for excellence in service and quality of food. As a result, El Artesano has achieved recognition as one of the area's best restaurants.
